

Improving Franchisee Performance

Franchise Training Centre Series

... for Field Service Representatives

The importance of managing franchisee performance

- ... The prevailing economic environment highlights the importance of understanding and managing franchisee performance. In turn, franchisors who actively engage with franchisees on performance information have the basis to forge more co-operative, meaningful and productive relationships – benefiting both parties.

Help your Field Service Representative better understand performance information (including financial information) to improve field visit effectiveness, and, franchisee and franchisor performance.

Core content

- ... Field visits and financial information ... Financial performance and the Franchise Relationship ... Financial and non-financial performance metrics ... Financial information and your Business Model ... Key financial information you must know ... Benchmarking franchisee performance ... Performance diagnostics ... Franchisee business planning ... Common challenges ... Ten top tips and strategies ... Case studies

Benefits

- ... Better understand franchisee performance ... Learn the important role performance information can play in field visits ... Understand what information is needed ... Learn and reinforce key concepts ... Help franchisees plan ahead and set meaningful objectives ... Help franchisees link key actions to financial results ... Learn how to summarise and interpret key financial informations

Key franchisee performance information, analysis and action in a field visit context. Help your Field Service Representatives engage with franchisees more effectively, productively, and profitably.

An intensive one day workshop for Field Service Representatives

Your training leaders
